LOUISA, LAWRENCE COUNTY, KENTUCKY, APRIL 23, 1920.

NEW EFFORT FOR STATE AID FUNDS

A number of Louisa citizens last week decided to make another effort to bind the State to aid Lawrence county on inter-county seat roads under the present law, before it expires June 30. To this end they appeared in county court last Monday and discussed the matter along a different line in the hope of saving at least a part of the funds. This was based upon the fact that Lawrence county applied a year ago for \$4000 aid on the road from Louisa to Morgan county and \$4000 from Louisa to Carter county via Yatesville. The opinion prevailed that if this is followed up vigorously and a contract let before July 1 the State will be bound to help complete these inter-county seat roads. During the discussion the fact was brought to light that a survey and maps for 18 miles of road from Louisa toward Blaine are on file at Frankfort and were approved by the State Road Commissioner Wiley. Also the other road survey stands approved for several miles.

The citizens also urged that all necessary orders in regard to road matters be made at once by the fiscal court and Judge Riffe agreed to call the court together for Friday, April 23.

Following up the facts mentioned above the Louisa Board of Trade at its meeting that night took up the matter and decided to help do everything possible to get the aid for the two approved roads. So they decided to send to Frankfort Mayor Augustus Snyder and C. F. See, Jr. to make certain that maps and approvals were on file there. Mr. See was county attorney when this was done. They left for Frankfort the next day and found the records and approval in the State Road department. The present Road Commissioner knew nothing about this, and the matter had not before been brought to his attention. The Attorney General and Road Commissioner Boggs agreed to confer Thursday of this week on all points involved and render a decision at once. We shall give the result next week.

County Attorney Thompson agreed to have all orders ready for fiscal court to act upon Friday. Attorney A. J. Garred volunteered his assistance and the services of his stenographer and the offer was accepted.

Court to Meet 26th.

LATE: Judge Riffe on Thursday sent out notices calling the fiscal court to meet next Monday, the 26th. There is a lot of work to be done in order to save any part of the State aid and not an hour should be lost.

Another application must be filed before May 1st for aid in order to be in position to contend for rights under the present law. Aggressive action is what has been needed all the time and nothing short of this will save any part of the \$53,000 which we could have had under the law that will expire June 30th.

OIL MEN HELP ON ROADS.

The Lawrence Fiscal Court on April 8th accepted the proposition of certain oil operators to pay half the cost of repairing roads in the vicinity of their operations.

The Union Gas company offered and has paid \$500 for work on the road from Webbville to Blaine. Squire R. C. Miller has charge of the repairs on that road, and has \$500 from the county.

The Ohio Fuel offered to do half the work on roads toward Yatesville, and others also are ready to do the same thing near Louisa. \$1000 was made available by the county under this proposition, and County Attorney D. L. Thompson was appointed to look after the work.

COW SELLS FOR \$1,000

Harrodsburg, Ky., April 16.—The dispersal sale yesterday of the head of registered Jersey cattle, imported and inland bred by Virgil White at Cloverleaf Farm, summed up to \$10,280. One cow, Agatha's June Fern, was bid in by Ed Schaver of Loveland, Ohio, for \$1,000, and three of her calves brought \$900. There was also on sale Mr. White's fine registered Duroc Jersey swine and his dairy outfit, which brought excellent prices. Several of the animals were bought by Prof. V. C. Kayes for the Agricultural Department of the Arkansas University. Besides buyers from all over Kentucky there were bidders also from New Jersey, Alabama, Tennessee, Ohio and Arkansas.

MRS. ELIZABETH JOBE DIES IN ASHLAND

The death of Mrs. Jobe occurred in Ashland Monday. The body was brought to this place and on Tuesday was taken to the old home at Ono, this county, where most of her life had been spent. Interment was made in the family burial ground there.

Following is from the Independent: Mrs. Elizabeth Jobe, the widow of James H. Jobe was called to the spirit world Monday morning shortly after 6 o'clock, at the home of her daughter, Mrs. E. E. Wheeler, 315 21st street.

Mrs. Jobe was in her 75th year and had been in poor health for some time, her death resulting from a complication of troubles. For the past four years she had been blind. Before marriage she was Miss Elizabeth Hicks of Floyd county.

Since the death of her husband, which occurred last November, Mrs. Jobe made her home in Ashland with her son-in-law and daughter, Mr. and Mrs. E. E. Wheeler. She was a woman of beautiful nature, her patience under her bodily afflictions, and her absolute faith in the future life, lifting her above earth's trials. She was a member of the United Baptist church.

Twelve children, six sons and six daughters survive. They are John, of Catlettsburg; Samuel, of Akron, O.; James Harvey, of Elkhorn City, Ky.; Douglas, of Galveston, Tex.; Fred, of Roundup, Montana; Silas, who lives near Louisa; Mrs. C. B. Carter, of Nallan, W. Va.; Mrs. A. J. Woods, of Branchland, W. Va.; Mrs. L. C. Hornbuckle, and Mrs. W. M. Marcum, of Elkhorn City; Mrs. Wheeler, of Hazard, and Mrs. E. E. Wheeler of this city, who has been her mother's devoted nurse during her late illness.

OIL MAN INJURED

Dock Kepner, a driller from Noblesville, Ind., was so badly injured near Martha, Ky., last week that it is believed he can not recover. While in the employ of the Union Gas & Oil company he fell from a wagon that was heavily loaded and a wheel passed over his neck, injuring the spinal column. It was decided to send him home and the problem of how to get him to the nearest railroad point as comfortably as possible was solved by assembling 14 men, who carried him on a stretcher the entire distance of about 17 miles.

MRS. LEO DRAKE GRADUATES WITH DAUGHTER

An interesting feature of the 1920 commencement of Huntington high school will be the presence in the graduating class of mother and daughter, Mrs. Leo F. Drake, and Miss Allen Drake, who have been classmates since the beginning of Junior high school work.

Mrs. Drake is a great favorite in school circles, both with faculty and students.

Superintendent of Schools Wright and Principle John G. Graham of the high school, join in the statement that in pursuing her studies in the public schools she has asked or sought no favors. She has been one of the pupils and the standard of her work has been uniformly high.—Herald-Dispatch

OIL NEWS IN LOCAL CIRCLES

The Arnes Drilling company has contracted to drill three or more wells on the Sagraves farm on Laurel, in the upper Blaine section of Lawrence county, and the outfit will be moved as soon as the condition of the roads will permit.

Well No. 2 on R. C. Miller is a big producer and as good as the first. It is the Union Gas company's 28th well, with no failures.

Well No. 2 on the Point opposite Louisa, on M. E. See, should be completed about Thursday of next week. The Fisher company is having trouble with the well drilling on Dr. T. D. Burgess' farm above Gallup. The latest trouble is with a leak in the casing.

The W. Va. Development company at Potter has put No. 19 to pumping and is drilling No. 20. No. 9 has been cleaned out and a small shot put in, and the result is a nice increase in production.

A few bad mud holes are holding back development work. Coal costs 50 cents per bushel delivered, where it can be hauled at all. There are rigs ready for work on locations that can not be reached with wagons because of mud holes.

Death Takes Wife of Co. Tax Commissioner

Mrs. H. W. Williams passed away about one o'clock last Tuesday morning at her home on Lock avenue in Louisa. While her health had not been good for some time her last illness was of only two days duration. She was out in town on the Saturday before her death.

She was the wife of H. W. Williams, Tax Commissioner of Lawrence county. They moved to Louisa from Patrick soon after his election, to this office two years ago.

Mrs. Williams was an excellent woman. She was converted early in life and lived a consistent Christian life ever afterwards. She was a member of the Methodist Episcopal church. Before marriage she was Miss Victoria Walker, of Paintsville. She is survived by her husband, seven sons and two daughters, all of whom arrived in time for the funeral. They are Mrs. Mona Sturgill, of Louisa; Wiley Williams, of Hartsville, Mo.; G. T. and Charles, of Ashland; Bert, of Winchester; Sanford and Milt, of Bowling Green; Mrs. Elizabeth Brown and Boone Williams, of Louisa.

At her bedside were her sister, Mrs. Mollie Stapleton and daughter Gypsy, and brother, John Walker of Paintsville.

Wiley Williams, who had been away eight years, arrived Thursday morning from his home in Missouri.

Funeral services were held Thursday morning at 10 o'clock at the M. E. Church, conducted by Rev. H. B. Hewlett. The church was filled with relatives and friends of the family. Interment took place in Pine Hill cemetery.

Rushing home from the South on news that his son was seriously ill, J. E. Young, Elkhorn City, collapsed in Ashland here to-day when he met his wife, with the child's body, on the way to Jacksonville, Fla., for burial.

A telegram his wife sent to notify him of the child's death and of her departure for Jacksonville with the body arrived after Mr. Young had left the Florida city for home.

Mr. Young is in a serious condition in the King's Daughters' hospital suffering from nervous breakdown. Mrs. Young has telegraphed a son in Savannah, Ga., to come here.

MISS ADDIE MARRS AND J. O. UTZ WEDDED

Of interest to Louisa friends of Mr. and Mrs. W. A. Marrs, of Newport, former residents of Louisa, is the announcement of the marriage of their daughter, Miss Addie. She is a very attractive young lady and since moving from this place a few years ago has held a responsible position in a department store in Cincinnati. The following announcement and a good picture of Mr. and Mrs. Utz appeared in the Cincinnati Times Star a few days ago:

Announcement of the marriage of James Owen Utz of Newport and Miss Addie Marrs of Clifton, Ky., will be a surprise to their relatives and friends. They were married on February 18 at Dayton, O., and kept the event secret for almost two months. The bridegroom is a graduate of the Newport high school, and a well known athlete, he having played on the school base ball and foot ball teams. His former was connected with the circulation department of the Times-Star and served eight months with the marines, 85th company, 10th regiment, during the world war. The couple will reside in Clifton, Campbell-co.

MURDERED FOR MONEY.

At Martin's Ferry, W. Va., robbers murdered Mrs. John Burkhardt and daughter in their home and escaped with thousands of dollars in money and a large amount of Liberty bonds. People who keep money and bonds at home are tempting robbers to murder them. The public knows who keeps money at home instead of in banks. Those who deposit their money and pay bills with checks are never spotted by robbers.

Rev. Roscoe Murray, of Kenova, has been named to head the Northern Baptist drive in Mingo and Wayne counties, for which the denomination is seeking to raise \$100,000,000 in a nation-wide campaign between April 25 and May 2. He is organizing churches as much the same as communities were organized during the war work drives.

Revival at M. E. Church South.

Rev. J. D. Bell continued services from Sunday night in preparation for the revival that started Wednesday evening. The three Wisdom sisters arrived Wednesday afternoon and sang that night. STREET PAVING PROJECT.

Engineers are surveying the streets of Louisa preparatory to paving. No time will be lost by our enterprising city council and officials in getting this work under way.

JAIL BIRDS ESCAPE FROM OUR BASTILE

The Lawrence county jail gave up its birds a few nights ago when nobody was looking except the fellow who helped from the outside. They flew away, and are yet flying, so far as we know. There were only two of these fellows, held gently by the bluff which we have learned to call a "jail." All they needed to see their way out was a saw. And some bird of the same feather on the outside saw to it that they got one.

Clarence Webb ("Tootsie"), a box-car robber and a postoffice burglar giving the name of Joe Mitchell, which of course is not his real name, comprised the population of our alleged jail when the windows flew open and gave them back their "personal liberty."

The Wisdom Sisters Here.

These three sisters, known far and wide for their work as evangelistic singers, arrived in Louisa Wednesday and are at work in the revival meetings at the M. E. Church South, afternoon and evenings. They are Missouri girls and are devoting their lives to religious work. In the church column you will find further facts about these people and the meeting.

C. business department, having completed the course last year.

After the business of the evening is over lunch will be served.

The residence of a Mr. Allen at Ivyton was destroyed by fire Saturday evening. On last Thursday night robbers entered the L. Richmond Company department store on took about \$250 worth of goods consisting of silk shirts, suits, shoes, watches, fountain pens and overalls. Officers located the men on Monday at the mouth of Shelby creek, and they were arrested, but two of them broke guard and escaped. Bob Stephens is now in custody. Goods missing from the store were identified in their possession. Stephens, police report, is a "rounder" who has served a term in the Frankfort penitentiary from Boyd county on a similar charge. When arrested he had on his person burglar saws and tools.

Walter Darby, who was arrested at Logan, W. Va., August 15, 1919, on a charge of malicious wounding and was sentenced to serve two years in the Moundsville penitentiary, after having escaped and being at large since October 5, 1919, was captured near Ashland.

Y. M. C. A. MEETING AT ASHLAND FRIDAY

On Friday, April 23, 1920, the Y. M. C. A. will conduct an "Older Boys' Conference" at Ashland, Ky., and arrangement has been made so that any boy in Lawrence county can attend and be entertained free of cost. The only expense will be train fare and \$1.00 registration fee.

At this meeting some of the greatest speakers in Kentucky will be present and address the boys. The meeting begins Friday afternoon on April 23, and will open with a banquet with B. F. Forgy Toastmaster. Friday night Prof. Crossfield and Prof. Record will speak.

Saturday morning Philo C. Dix, State Secretary, will talk to the boys about choosing a vocation. P. K. Malin and Prof. Bradner are on same program. Saturday afternoon field sports contest open to all. On Saturday night Prof. Ganfield of Center college, will address the boys. This will be a great feature.

Sunday Van Antwerp, who helped make "Old Center" famous, will talk. Sunday afternoon, Paul Barrett, "The Boy's Friend" will preside at the Conference. He is a noted Y. M. C. A. man and will be enjoyed.

I hope many boys of Lawrence county will take advantage of this great opportunity. It only comes once in a life time. You can leave Ashland Monday morning and arrive at Louisa in time for school.

I know many "Old Boys" in Louisa who never "had a chance" like this to have men of national reputation and have free entertainment while so doing.

There are at this writing 72 women and girls taking the "Red Cross Nurse Course" being given by Miss Eversole at the K. N. College, under the auspices of the Lawrence Co. Chapter. Will the boys be so quick to grasp the opportunity? M. S. BURNS.

MISS LETA SIMPSON.

Leta Cartwright Simpson, daughter of L. T. and Cora B. Simpson, died April 11, in a Cincinnati hospital where she had been some weeks for treatment. Her illness was caused by influenza. She was born in Lawrence county December 20, 1894. The family later lived in Louisa a short time before moving to Fleming county where they now reside.

Three brothers and sisters preceded her to their future home. Rowland died in Camp Taylor while in the service of his country.

Leta united with the M. E. Church South, at the age of 12 years.

On April 8 she was happily converted. She expressed to her mother the desire to regain her strength so that she might return home and tell her sisters and brothers what a dear Savior she had found. With her pale hand uplifted she said: "Rowland, go on; I will come soon." She sang "Going home some sweet day."

How sad to give up this earthly life when in the prime of womanhood, but how consoling to know we have a building of God, a house not made with hands, eternal in the heavens.

The funeral was held at the Mt. Taber church, Wednesday, April 14, and was conducted by her pastor, Rev. Robert Harrison. Contributed.

MRS. VIC WILLIAMSON DEAD.

The Reason--

My entire stock of CLOTHING, DRY GOODS, SHOES, FURNISHINGS, Etc., will be placed on sale at your mercy, in spite of high prices now existing, as I am involved in the oil business and also have rented a store building in West Huntington where I expect to open a store next month, so it puts me in a very hard place for money, and the only way to come out is to sell the largest part of my stock during this sale, as I went too deep before I thought. My stock is all seasonable merchandise and now offered at a time when goods are sky high at prices you can't duplicate anywhere.

Sure Death to Corns

"Gets-It" Makes 'Em Lose Their Grip and Lift Off Painlessly.

The first thing "Gets-It" does when it lands on a corn or callus is to snuff out the pain. Then it shrivels the corn or callus and loosens it.

"Gets-It" Spells "Finish" for Corns

Soon, it is almost ready to fall off. You help it just a little by lifting it off with thumb and finger. You don't even feel it because there is no hurt left in it. Millions have proved it the cleanest, surest, safest and most pleasant method. "Gets-It" the never failing, guaranteed money-back corn remover costs but a trifle at any drug store, sold by E. Lawrence & Co., Chicago.

Sold in Louisa and recommended as the world's best corn remedy by Louisa Drug Co.

RESOLUTIONS OF RESPECT.

Whereas, It has pleased Almighty God, our Heavenly Father, to call out of this life our friend and sister, Mrs. Susie Webb, therefore, be it resolved by the officers and members of Hermina Rebekah lodge No. 84, Buchanan, Ky.,

First, That while we are humbly submissive to the will of our Heavenly Father, still we are conscious of a considerable degree of real sorrow occasioned by this dispensation of Divine Providence.

Second, That Hermina Rebekah lodge has lost one of its loyal members and the town of Fallsburg, where she resided, one of its very best citizens.

Third, That we mourn her loss and extend to the stricken family and relatives our deepest sympathy and commend them to Him who doeth all things well.

Fourth, That a page of our records be set aside to her memory, a copy of these resolutions be sent to the Big Sandy News for publication, and a copy to the bereaved husband.

TIRED, BODY AND SOUL?

Not Sick, But Still Not Yourself. Think You'll Be Better Tomorrow—Only.

TRY TAKING PEPTO-MANGAN

It Isn't Sleep You Need, But a Good Tonic—More Red Blood

Everyone gets run down occasionally. Sometimes it's weeks before you get your energy, enthusiasm and happiness back again.

Any doctor will tell you to be careful in a time like this. Your body has little power of resistance, and the danger of catching some serious disease is great. Temporarily, your blood has too few "fighting" corpuscles.

It's the work of these same red corpuscles to keep you free from fatigue. Being constantly tired out—depressed in body and mind—is almost a sure sign that your blood needs help for a time.

Gude's Pepto-Mangan is a standard remedy in cases of anemia (or bloodlessness.) It supplies the iron and other properties your blood needs to catch up with its task of keeping you fresh and alert in every fibre.

Pepto-Mangan has the hearty endorsement of physicians, is an agreeable tonic to take, and may be had in any drug store in either liquid or tablet form. Both have same medicinal value.

Be sure to ask for Gude's. There is only one genuine Pepto-Mangan, and the name "Gude's" should be on the package.—Advertisement.

to distinguish between those who show some patriotism and those who exhibit only greed for pay. At the proper time the United States will reward her soldiers financially, but now is too soon. The enormous war burdens should be lightened first. There is plenty of work at high wages for all soldiers and they do not need a bonus or pension at this time. Only the injured need help and they are getting it.

The railroad strike is about over, having failed completely. But it cost the country millions of dollars and has increased the high cost of living, as these strikes all do, especially at a time when more production in every line is needed to bring down prices.

The Lawrence County Post, American Legion, did a patriotic and wise act in going on record against a bonus at this time for soldiers of the world war. The day may come when an effort will be made to separate the sheep from the goats; in other words ed.

RESOLUTIONS.

Louisa Lodge No. 270, Louisa, Ky.
Robert H. Hartman was born December 17, 1860, and passed from this life to the great beyond to his eternal home March 8, 1920. He had lived in this world for a period of sixty years.

He had been a member of Louisa Lodge Independent Order of Oddfellows for a period of thirty-eight years and was a true and loyal brother of said order and while such contributed to all of its institutions liberally. He was loved by every member of the order to which he belonged, and also had a large number of friends in the community where he had lived for many years. His widow mourns the loss of a most devoted husband and his two children in the loss of a faithful father.

Resolved, That we extend our deepest and sincerest sympathy to his grief-stricken widow and the two children in these their days of bereavement and sorrow.

Resolved, That we bow in humble submission always to the will of almighty God. While our brother's presence will be sorely missed we are moved with profound gratitude to almighty God for sparing him to us as long as he did.

Resolved, That Louisa Lodge No. 270, I. O. O. F., has lost a faithful and loyal brother and member, the community and state an upright citizen.

Resolved, That this committee recommend that a copy of these resolutions be sent to his widow and children and a copy be sent to the Big Sandy News and Lawrence County Recorder for publication, and that a copy be spread on the minutes of Louisa Lodge No. 270, records, of which he was a faithful, useful and honored member for so many years.

WHY FARMERS SHOULD

CARRY LIFE INSURANCE

BECAUSE it is a protection.
BECAUSE it is a good, safe investment.
BECAUSE it is an asset in your farming life.
BECAUSE it is an educational provision for your
children.
BECAUSE it is a provision of independence for you
or your family.
BECAUSE it is now possible to get a "don't have
to die to beat it" contract.
BECAUSE it is a money making proposition.
BECAUSE it is a friend in need which is a friend
indeed.
BECAUSE it is easy to get when you want it
WHILE YOU ARE IN GOOD HEALTH
BECAUSE it is a good thing to get when you don't
need it so you will have it when you
do need it.
BECAUSE it is better to have it and not to need it
than to need it and not have it.
BECAUSE it may be possible for you to get it to-
day and not tomorrow.
BECAUSE it is a wise, up-to-date farmer who car-
ries it, just as he carries insurance on
his buildings, live stock, etc.
BECAUSE IT IS A NECESSITY.

To the Farmers:-

The farm labor shortage has made it hard for you to com-
pete in production with the farmers who raise wheat, oats and
corn for commercial purposes. It therefore remains for you to
develop something which he is neglecting. You will find this in
SORGHUM. We have created a great demand for Big Sandy
Sorghum. This is the year to plant cane. Sugar is short of the
demand. Sweets are being used instead. It is up to you to grasp
the situation and forge ahead and have something when normal
times come to fall back on.

As an assistance to you we have purchased sufficient com-
plete cane mill outfits to take care of the farmers who wish to
plant cane. We are also contracting for your entire output
either on market prices or we will give you on a finished contract
90 cents per gallon delivered Louisa and furnish the barrels. If
you are awake to the situation come to Louisa and go into this
matter with us.

We are developing an industry worthy of your support
and this year we must have a great production. It is up to you
to assist us in forging ahead now, creating a demand and making
for you as well as ourselves a standard crop for this section which
cannot be duplicated in any other.

"A SPLENDID TONIC"

Says Hixson Lady Who, On Doctor's Advice, Took Cardui—And Is Now Well.

Hixson, Tenn.—"About 10 years ago I was..." says Mrs. J. B. Gadd, of this place. "I suffered with a pain in my left side, could not sleep at night with this pain, always in the left side."

My doctor told me to use Cardui. I took one bottle, which helped me and after my baby came, I was stronger and better, but the pain was still there.

I at first let it go, but began to get weak and in a run-down condition, so I decided to try some more Cardui, which did.

This last Cardui which I took made me much better, in fact, cured me. It has been a number of years, still I have no return of this trouble.

I feel it was Cardui that cured me, and I recommend it as a splendid female tonic."

Don't allow yourself to become weak and run-down from womanly troubles. Take Cardui. It should surely help you, as it has so many thousands of other women in the past 40 years. Headache, backache, sideache, nervousness, sleeplessness, tired-out feeling, are all signs of womanly trouble. Other women get relief by taking Cardui. Why not you? All druggists.

DEATH RATTLE OF CALOMEL IN SOUTH

Dodson is Destroying Sale of Dangerous Drug with His "Liver Tone."

You're bilious, sluggish, constipated and believe you need vile, dangerous calomel to start your liver and clean your bowels.

Here's Dodson's guarantee! Ask your druggist for a bottle of Dodson's Liver Tone and take a spoonful tonight. If it doesn't start your liver and straighten you right up better than calomel and without griping or making you sick I want you to go back to the store and get your money.

Take calomel today and tomorrow you will feel weak and sick and nauseated. Don't lose a day's work. Take a spoonful of harmless, vegetable Dodson's Liver Tone tonight and wake up feeling great. It's perfectly harmless, so give it to your children any time. It can't sate so let them eat anything afterwards.

"FIDDLE-FIT"

Keep Liver and Bowels Clean and Active with "Cascarets"

Sick headache, biliousness, coated tongue, sour, gassy stomach—always trace this to torpid liver; delayed, fermenting food in the bowels.

Poisonous matter clogged in the intestines, instead of being cast out of the system is re-absorbed into the blood. When this poison reaches the delicate brain tissue it causes congestion and that dull, throbbing, sickening headache.

Cascarets immediately cleanse the stomach, remove the sour, undigested food and foul gases, take the excess bile from the liver and carry out all the constipated waste matter and poisons in the bowels.

A Cascaret tonight will have you feeling clear, rosy and as fit as a fiddle by morning. They work while you sleep.

DONT OVERLOOK THIS

A Careful Perusal Will Prove its Value to Every Louisa Reader.

The average man is a doubter, and there is little wonder that this is so. Misrepresentations make people skeptics. Now-a-days the public asks for better evidence than the testimony of strangers. Here is proof which should convince every Louisa reader:

Mrs. Nan Boggs, Lock Ave., Louisa, says: "A few years ago I was suffering with kidney weakness and my back was weak and lame. I had a dull, constant ache through the small of my back and I was dizzy. I had nervous spells, too, and was generally weak. A few boxes of Doan's Kidney Pills however, were enough to cure the complaint, and they helped me in every way."

Glad to Try Anything

"Three years ago my system was in a terribly run down condition and I was broken up all over my body. I began to be worried about my condition and I was glad to try anything which would relieve me. Peru-na was recommended to me as a fine blood remedy and tonic, and I soon found that it was worthy of praise. A few bottles changed my condition materially and in a short time I was all over my trouble. I owe my restoration to health and strength to Peru-na. I am glad to endorse it."

BIG PROFIT IN MILK AND BUTTER

Small Investment Brings Big Return—Mr. Weaver's Plan is Simple.

Democrats Administrative Committee

**Proceedings of State at Large
Members' Meeting, Saturday,
April 10th, 1920**

OPENING ADDRESS BY COL. MARION E. TAYLOR,
Joint Chairman of the Committee.

I am with and for this great movement instituted by my colleague, Col. Callahan, and his associates, to harmonize and unite the democracy of Kentucky. For years I have not taken an active part in politics. Democratic administrations, state and nations, have enacted much legislation of which I did not approve and from which I have suffered severe financial loss; and finally the destruction of the business to which I had devoted the care and industry of a life time.

Be that as it may, I never was a Democrat for place or profit, and I am still a Democrat—a Jeffersonian Democrat, and I submit without cavil or complaint to the will of the majority. Let the dead past bury its dead. Those questions which have divided and torn the Democracy of Kentucky are settled. They are behind us. It is time for all liberty-loving men who believe in the principles of Jefferson and would apply them to the momentous issues of the hour to turn their faces to the future and to unite in one strong and determined effort to redeem Old Kentucky—to bring her back to the faith of the fathers. In that effort I am with you with all my heart.

The great question before us now is not whether this country shall be wet or dry, but whether it shall be Democratic or Republican; whether the principles of Jefferson shall be maintained or the heresies of Republicanism shall dominate the counsels of the state and nation. Above all, the South never can and never will submit to the domination of a corrupt and shameless black and tan political oligarchy.

This committee was not organized at the behest of any clan or faction, and it will serve none. Indifferent to the personal ambition of individuals we are the sponsors of great and time-honored principles. With singleness of purpose we will strive for the success of the party and of all its standard bearers.

We invite every man who ever was a Democrat to join us in this great crusade to redeem Old Kentucky, to elect a Democratic President of the United States, and to make the world safe for democracy.

The following proclamation, which was presented by Col. P. H. Callahan, Joint Chairman of the Committee, was adopted unanimously:

To the Democrats of Kentucky:

The State Central and Executive Committees, with the approval of the recent Democratic conference of men and women from each county in the state, have requested this committee, until the state convention called for May 4th shall itself take action, to proceed to co-ordinate all the elements of strength in the Democratic party of Kentucky.

We seek nothing from the party for ourselves and represent no faction, group or person in the state or in the nation, but speak in the name of Democracy and for the best interests of the country as our united judgment gives us to see them.

In virtue of these titles, we address our fellow Democrats of Kentucky and urge them with frank earnestness to attend the local party councils, take part in the county conventions and to see to it that the state convention in May is made up of representative Democrats who know the wishes of the people and will carry out those wishes with untagged liberty of action as to both the future and the past. We address in particular those Democrats who have not always actively participated in party affairs. You should now make a sacrifice, if need be, to send on a delegation of high-type men and women whom no person or persons without patriotic reason can control. This is no time to leave matters of party organization to persons politically interested; no time for aloofness on the part of substantial men and women who have the welfare of their community and their country at heart; no time for factions or selfish interests to hold sway. Our country is weighed in the balance, and if men of affairs, men and women of solid thought and disinterested purpose do not throw their strength and influence into the scale, our country may be found wanting before the world.

The National Convention at San Francisco in June will be a test of American statecraft. Kentucky's delegation should play its part with an eye single toward, and a heart bent upon, saving the soul of the nation that has given to the world its greatest opportunity to be free. This is the kind of a delegation, the kind of a Democracy that your committee with one united purpose stands for, and we ask you to hold up our hands.

The members of the Administrative Committee of the State at large are as follows:

EXECUTIVES:

P. H. Callahan, Louisville, Ky.	Chas. A. Hardin, Harrodsburg, Ky.
Mrs. John A. Fulton, Bardonia, Ky.	Johnson N. Camden, Versailles, Ky.
Marion H. Taylor, Louisville, Ky.	Harry A. Sommers, Elizabethtown, Ky.
Mrs. S. F. Fetter, Ashland, Ky.	

GENERAL:

A. J. A. Alexander, Spring Station, Ky.	Mrs. J. C. Layne, Ft. Thomas, Ky.
John E. Buckingham, Paintsville, Ky.	Mrs. Cora Wilson Stewart, Frankfort, Ky.
Mrs. Dunster Gibson Foster, Lexington, Ky.	James Utterbach, Paducah, Ky.
Alex P. Humphrey, Louisville, Ky.	Jas. B. Brown, Louisville, Ky.
Mrs. Edmund M. Post, Paducah, Ky.	Mrs. Saml. T. Castelman, Louisville, Ky.
Desha Breckinridge, Lexington, Ky.	Mrs. A. M. Harrison, Lexington, Ky.
Mrs. John B. Castelman, Louisville, Ky.	Miss Alice Lloyd, Maysville, Ky.
Harry Hanger, Richmond, Ky.	J. W. M. Stewart, Ashland, Ky.

NOTICE!

No person or persons have any authority to represent this Committee or any of its members toward selecting or directing any candidacy for delegates to the conventions or the election of any Committee-men, for the Committee itself will not have any wishes on this matter and are only desirous of bringing about a procedure that will result in a full and uncontrolled election of all candidates by the County District and State Conventions.

Carry The Country With Cox

Cox Can Win

Kentucky Democrats, you are asked to send delegates to the San Francisco Convention pledged to nominate a man who can win.

That man is James M. Cox, Governor of Ohio.

Here is a candidate whose record as a vote-getter is known.

Three times he has been elected Governor of the normally Republican State of Ohio.

Twice he was elected to Congress by big majorities over strong opposition.

He has been a winner in business, too, by his own merit and courage.

There is nothing in his record that should alienate a single Democratic vote.

There is much in his record that will command thousands of Independent and Republican votes.

His popularity was a big factor in putting the pivotal State of Ohio in the Democratic column in 1916.

Ohio's electoral votes are needed this year; he can swing them.

What other Democratic candidate can?

The Cox Movement in Kentucky is backed by citizens who see in the nomination of Governor Cox Democracy's best chance for victory in State and Nation.

It is simply an effort to put Kentucky Democracy behind the one man who can win in November and, to insure success, all factionalism should be avoided and representative Democrats of character, intelligence and independence should be elected as delegates.

GOV. JAMES M. COX OF OHIO

Born on a farm March 31, 1870.

Educated in country school and high school.

Worked as farmer boy, newsboy, printer's devil and reporter.

Owms and publishes Dayton Daily News and Springfield Daily News.

Elected to Congress in 1909 and 1911.

Elected Governor of Ohio in 1912, 1916 and 1918.

Cox Is Worthy

Kentucky Democrats, you are asked to send delegates to the Democratic National Convention instructed to nominate a man who is worthy to sit in the White House.

You are asked to use your influence for the nomination of a self-made man, one who personifies the best traditions of red-blooded Americanism.

A man, who, born on a farm, without favoring conditions, has risen from newsboy and printer's "devil" to reporter, from reporter to editor and publisher of two great papers.

A man, whose neighbors, who know him best, have called him three times to the highest office in their State.

A man whom no interests have been able to swerve from what he considered to be his plain duty.

A man who adjusts differences between capital and labor without resort to troops.

A keen business man who says "profiteering is the result of conditions carrying opportunity, if not preference, to one individual or class over another."

A normal American, neither reactionary nor radical, the kind of man who will restore normal conditions in a normal, American way.

Such a man is James M. Cox, the man who can win.

COX HEADQUARTERS

have been established in Rooms 1, 2 and 3, The Seefbach, Louisville, where Democrats who want to see a winner nominated will be welcome. Come in, write or telephone.

Send Cox Delegates to the State Convention

Democrats, if you want a winner as your Presidential candidate, if you want to see Democracy triumphant, attend the mass conventions in your county seats at 2 o'clock, Saturday afternoon, May 1, and vote for delegates who will insist on a Cox delegation to the San Francisco Convention.

Women, who will cast their vote in November, are entitled to representation and are urged to attend these conventions.
